

REMARKS

The present application includes pending claims 1-40, all of which have been rejected. By this Amendment, claims 1-22, 25-27, 29-37 and 39-40 have been amended to clarify aspects of the present inventions.

The drawings were objected to because "102" was not shown in Figure 1A, "122" was not shown in Figure 1B, "411" was not shown in Figure 4 and reference character "3" designated both PC 143 and MPS 133 in Figure 1C. The Applicants respectfully request reconsideration of the drawing objection in view of the attached replacement Figures.

Claims 1-3, 9-13, 19-23, 29-33 and 35-40 stand rejected under 35 U.S.C. 102(e) as being anticipated by U.S. 6,774,926 ("Ellis"). Claims 4, 5, 14, 15, 24 and 25 stand rejected under 35 U.S.C. 103(a) as being unpatentable over Ellis in view of U.S. 2002/0056119 ("Moynihan"). The Applicants respectfully traverse these rejections for at least the following reasons:

Claims 1, 11 and 21 have been amended to recite, in part, "wherein said private television channel may be pushed to one or both of said first and/or second televisions at said first and second homes, respectively." Claim 32 has been amended to recite, in part, "pushing said private television channel from a first location to a second location." Claim 37 has been amended to recite, in part, "said processor pushes the personal television channel from a first location to a second location." Claim 39 has been amended to recite, in part, "wherein said personal television channel is pushed to the television display from a remote location." In view of the claim amendments, the Applicants respectfully submit that the claim rejections are moot. Thus, the Applicants respectfully request reconsideration of the claim rejections.

In general, the Office Action makes various statements regarding the pending claims and the cited references that are now moot in light of the above. Thus, the Applicants will not address such statements at the present time. However, the Applicants expressly reserve the right to challenge such statements in the future should the need arise (e.g., if such statement should become relevant by appearing in a rejection of any current or future claim).

The Applicants respectfully request reconsideration of the claim rejections for at least the reasons discussed above. If the Examiner has any questions or the Applicants can be of any assistance, the Examiner is invited to contact the undersigned attorney.
